

# Vote For a Sustainable Peterborough

Candidate Name: Jason Wallwork

Running for: Ward 1 - Otonabee

<p>Please tell us what policies you would support that address the goal of Ensuring Sustainable Economic Policies.</p>	<ul style="list-style-type: none"> <li>• A “Local Improvement Charge” to fund retrofitting older homes to meet carbon reduction goals. It would have to be small to start because I don't want it to be a barrier to new builds in Peterborough.</li> <li>• Tax incentives for local innovation, manufacturing and training using technology that shifts Peterborough, and the country, to 100% renewable energy.</li> <li>• Transparent zoning/tax policies for local small businesses</li> <li>• Support for denser development along main roads, near downtown, using empty spaces, and creating complete communities.</li> </ul>
<p>Please tell us what policies you would support that address the goal of Ensuring Sustainable Cultural Policies.</p>	<ul style="list-style-type: none"> <li>• Building and honouring relationships with First Nations and Metis Indigenous communities.</li> <li>• Welcoming newcomers and diversity.</li> <li>• Supporting the arts to stimulate our community, culture and creativity.</li> </ul>
<p>Please tell us what policies you would support that address the goal of Ensuring Sustainable Social Policies.</p>	<ul style="list-style-type: none"> <li>• With community input, develop and fund new, collaborative strategies to minimize homelessness in Peterborough.</li> <li>• Advocate for a guaranteed annual income.</li> <li>• Support safe mixed neighbourhoods for families, youth, and elders; develop and expand strategies in partnership with existing organizations to increase local food production and economies to ensure healthy and accessible food for all.</li> </ul>
<p>Please tell us what policies you would support that address the goal of Ensuring Sustainable Environmental Policies.</p>	<ul style="list-style-type: none"> <li>• Plan and protect a robust network of natural places that connect us to good health, each other and nature</li> <li>• Fund healthy transportation choices with good design, using cheaper, easier, greener solutions.</li> </ul>
<p>Please tell us what policies you would support that would increase transparency of government, democratic decision making, and citizen engagement.</p>	<ul style="list-style-type: none"> <li>• Permit direct questions from citizens. (this is actually listed in my platform and has been since the beginning of my campaign. Basically, a People's question period at Council on a bi-monthly or quarterly basis.)</li> <li>• Continue the participatory budget program.</li> </ul>
